

# Escambia County Healthy Start Coalition Presents:

**Thursday**  
**October 2, 2025**

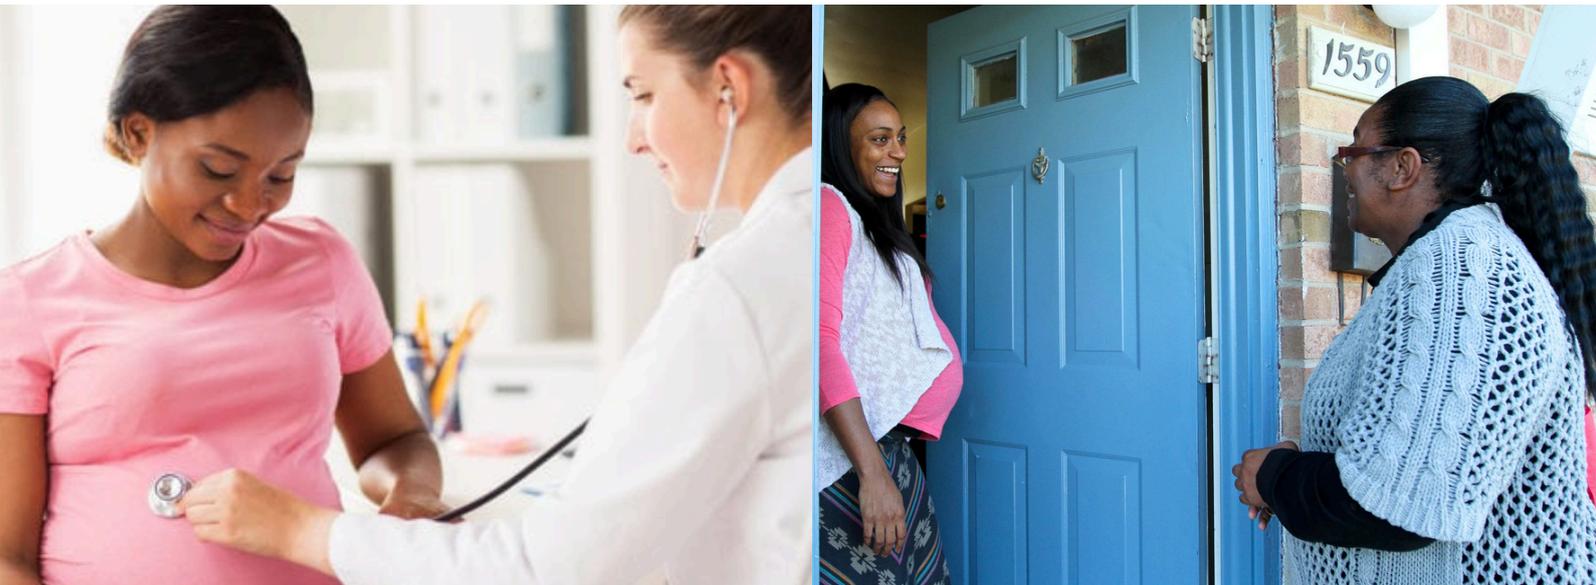

**5Eleven**  
**PalafOX**

**5:30 - 8:00 pm**

Dinner included  
Attire: Business Casual

Proceeds benefit Healthy Start programs  
to improve birth and developmental  
outcomes for parents and infants in  
Escambia County

# Every baby deserves a healthy start

Healthy Start offers support directly to new and pregnant moms and their babies by providing in-home visits with a registered Healthy Start nurse, creating a personal one-on-one supportive relationship.

Our distinctive approach to in-home services is vital to the functionality of our programs. At Healthy Start, we value creating connections with our parents to ensure a trustworthy exchange of prenatal and postpartum education and information.

## Additional Giving Opportunities

Healthy Start's mission is to improve the health of babies through community partnerships. With your partnership, we can accomplish our mission. We offer a wide array of education and support services, including programs that help parents access medical care, provide needed equipment to at-risk infants, and offer support to bereaved families.

### Featured programs include:

#### Stork Stock:

Healthy Start recognizes that many families cannot afford the expenses of childbirth and child-rearing. As a support to our most at-risk families, we provide supplies, including: pack 'n plays, car seats, diapers, wipes, and formula.

Every \$25 donation supports the purchase of a canister of baby formula for a baby in need.

I would like to make a \$25.00 donation.

Every \$50 donation supports the purchase of a 2-week supply of diapers to a family in need, or infant/child loss bereavement training for healthcare professionals.

I would like to make a \$50.00 donation.

## **Stork Stock (cont.):**

Unsafe sleep environments are one of the leading causes of infant death in the United States. The Coalition provides vulnerable families with the education and equipment needed to provide a safe sleep environment for their baby.

Every \$100 donation supports the purchase of essential safety equipment for a baby, including pack 'n plays.

I would like to make a \$100.00 donation.

## **Grief and Bereavement Services:**

Healthy Start recognizes that many families need support due to pregnancy or infant losses. The Coalition provides bereavement resources to families, including memory boxes, educational brochures, Pregnancy and Infant Loss Remembrance Day ceremony, and connecting parents with local counseling resources.

Every \$25 supports the purchase of a memory box for a family after a loss.

I would like to make a \$25.00 donation.

# Individual Bow Ties & Tiaras Tickets
